

# The Student Leadership Challenge

**The Student Leadership Challenge** - With The Student Leadership Challenge, any student or young person can become a leader. Grounded in over 30 years of research, Jim Kouzes and Barry Posner—today’s premier leadership experts—have developed an approach to leadership that has helped thousands of student leaders make extraordinary things happen. Visit Now. The Student Leadership Challenge® is grounded in the same extensive research as the classic Leadership Challenge products and programs that were created by Jim Kouzes and Barry Posner for use with adult learners in organizations, executive development, and graduate-level programs around the world. The Student Leadership Challenge. Participants will develop their leadership skills by learning how to Model the Way, Inspire a Shared Vision, Challenge the Process, Enable Others to Act, and Encourage the Heart. The program will develop participants’ leadership competencies in these five areas through self-reflection, peer discussion, ... TSA's leadership program, LEAP (Leadership. Education. Achievement. Personal Growth.) is a customized program specifically developed for TSA with components integrated with The Student Leadership Challenge philosophy. TSA members are encouraged to access the free sample resources for The Student Leadership Challenge via the links below. They are applicable to all LEAP activities.
